A T R I B U T E

There is a seriousness in her spirit that burns out all shams. There is a sympathy in her heart that lifts up the discouraged. There is an unselfishness in her life that inspires students to be better. There is a thoroughness in her work that is her best preachment. For these reasons the Lest-We-Forget Staff says, "Here's to you,

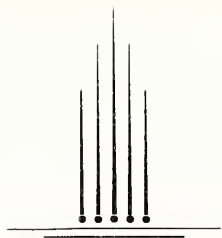

MISS ONNIE SKINNER"

A W O R D I N A D V A N C E

In 1875, Union University formally opened at Murfreesboro in 1848 was moved to Jackson, where West Tennessee College—established as an academy in 1834—was consolidated with it, and was rechartered as Southwestern Baptist University. Adams Hall was erected in 1895 and '96, Lovelace Hall in '97, and Powell Chapel in '99. In 1907, the name of the institution was changed from Southwestern Baptist University to Union University. In 1912, fire destroyed Powell Chapel and the main building, and in 1912 the present administration and chapel building was erected and named Barton Hall. In 1927 Hall-Moody Junior College, Martin, Tennessee, was consolidated with Union. Since its founding, Union has had thirteen presidents; and eight professors who served twenty years or more. Furthermore, the ideals of Union have always been of the highest both intellectually and spiritually, and Union's purpose has always been to produce in its students fidelity, zeal, and mental alertness, tempered with brotherly love and sealed with wisdom.

A Parting Wish

(Dedicated to the Graduating Class of 1938)

*With reverence we pause today,
Expressing love and gratitude;
Thro' deep devotion tributes pay
To Alma Mater's fortitude
For Christian principles. We pray
That each of us may be endued
With character refined; obey
God's will in all our tasks pursued.*

*Our Master calls; O Union U.,
This graduating class must part;
And yet, our thoughts remain with you,
Expressing love from sincere hearts
For all our faculty so true;
For wisdom, principles, and art.
Forbid that we should e'er eschew
Our duties now as we depart. Adieu.*

Alma Mater

*O Alma Mater, our affections cling to thee!
Faithful and loyal may we ever be.
May our Master's watchcare
O'er us one and all extend,
'Til again in Union
Heart and voice we blend.*

*Dear Alma Mater, hear thy offspring's plighted vow!
Firmer and truer may we be than now.
Memory fondly lingers,
Calling back departed days;
Every task grows lighter
As we sing thy praise.*

*Loved Alma Mater, o'er us shed scholastic light,
E'en as we wander from thy halls tonight;
And though years divide us,
And in distant lands we roam,
Oft in dreams we'll gather
'Round our "Home, Sweet Home."*

CHORUS

*Union, dearest Union,
Yes, we'll sing thy spreading fame!
Union, dearest Union,
Honored by thy name.*

THE COACHES

Head Coach Fred DeLay started his football career in Massey Military School, where he played two years in the backfield. From Massey he went to the Middle Tennessee State Teachers for four years of regular play under the coaching of Alf Miles, now Athletic Director at Vanderbilt, and Guy Stephenson, former U. T. player. He started coaching the fall of his graduation at Shops Springs. The following year he went to Summer County High School at Portland, Tennessee. He traveled from 1928 to 1931, and then took over the fortunes of the Carthage High School athletics. In that time he won 51, tied one, and lost eight grid games. In that time his team won the Upper Cumberland Conference two out of the three years of its existence. In basketball his team won three district tournaments, two regionals, and a junior high tournament. Since making his debut in Jackson, few coaches in the history of Jackson athletics have created so favorable impression as Coach DeLay has in his work with the Bulldogs.

Arthur "Monk" Williams, Assistant Coach, came to Union with Coach Fred DeLay this fall from Vanderbilt. In his Junior year he was captain of the baseball team and through the next two years saw continuous service on the gridiron, playing half and quarterback. "Monk" coached the varsity backfield in offensive work, the best that had been seen by a Union squad in some time.

Ernest Mullins, the Bullpups' head coach, came to Union in 1933 from the Greenfield championship team. On his arrival he started playing varsity football, although a Freshman. During his four years he was known as one of the best defensive ends that has been on a Union roster, and was substituted only three times in four years. Although graduating last year, his knowledge of line play made him an inside choice for the Freshman coach and has put the Freshmen through a season that promises to turn in a varsity squad to Coach Fred DeLay that will be tops for a Freshman team.

John Alexander, assistant Freshman coach, came from Blytheville, Arkansas, and played four years of varsity football in Union. "Alex" earned the reputation of being one of the best blocking backs that has ever played on a Union team.

RESUME

OF

FOOTBALL SEASON

The skill and value of a football team is not always told in the number of games won.

Union Bulldogs have quitted themselves like men this season in spite of the odds they had to face. Ten of the regular squad graduated last year, leaving only Juniors, Sophomores, and Junior College men to carry on.

Added to this, the new coach, Fred DeLay, had no opportunity to run them through the regular Spring training.

Then, perhaps the greatest task Coach DeLay dealt with was that of converting a defensive-minded team into an organization that could take the offensive and manage the defensive play as well.

So really this year has been spent in laying the foundation of a coming great Union team. The varsity has made some of the greatest improvements that any team in this part of the country has shown.

Rated as the underdogs in all their games, they went into the first game with Millsaps and should have emerged victors, but nervousness resulting from

the "first-game" fever caused a fumble on the two-foot line, ending the chances of a Union victory.

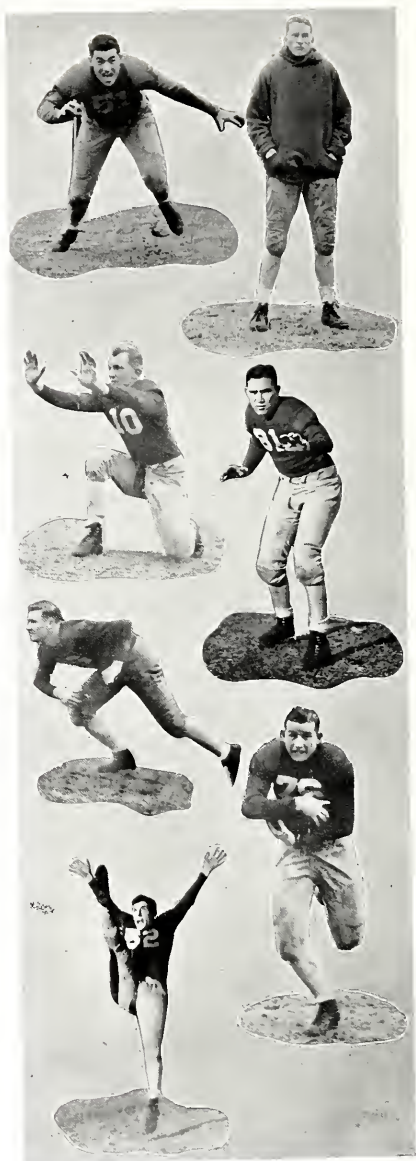

On the next week-end the Bulldogs hied away to Memphis, where they met the powerful Southwestern team. Our boys held the Lynx to a 6-0 lead for the first half, only to have the superior reserve strength of the Memphians take sway in the second quarter, causing a 32-0 loss.

Their third and second home game with the West Tennessee State Teachers, the Bulldogs were favored by way of their smashing defeat over the Tigers last year, but the appearance of seven players on the Tiger team, who had played together for the last two years on the U. T. Junior College team, proved to be too much for the Bulldog pass defense that had not yet been perfected and they lost, 12-2.

The next two games were staged on Kentucky territory, the first with the University of Louisville, who won, 14 to 6, and the last with the powerful Western Kentucky State Teachers of Bowling Green.

The Hilltoppers won, 21 to 0, as their huge 200-pound line cracked the Union offense and ran over the defense.

Then came the game with the Union jinx, the Murray Kentucky State Teachers. The game was played on neutral ground in Dyersburg, Tennes-

see, before one of the largest crowds during the season. Against the Bulldogs the Thoroughbreds threw everything that scored in the air to constitute the 21 to 0 victory.

From Dyersburg the team transferred their action against the Mississippi State Teachers in Hattiesburg, Mississippi. In this game even the elements were against the Bulldogs, as the stadium lights went out for thirty minutes, leaving the boys dressed out on the field in the bitter cold weather. The Mississippians won, 33 to 0.

Homecoming celebration and a chance at the University of Chattanooga Moccasins was next on the schedule. The Chattanooga Moccasins, along with Southwestern, were perhaps the strongest teams the Bulldogs played this year. Against such a powerful aggregation the prophecies of the wiseacres came true and the Bulldogs were defeated, 32 to 0, although for the first time in the season they showed that they were in possession of some semblance of an offensive.

In the last game of the year the Bulldogs in their Thanksgiving game at Mobile, Alabama, went up against the only other team in the SIAA Conference which hadn't won a game. Permission had been obtained from the governing board of the conference to let the game run until one squad was declared victor, either by exhaustion or by points. The Mississippians won by points, 18 to 14.

BASKETBALL TEAM

The Union University basketball team this year has had a most successful season. They won thirteen games out of twenty-two, and in points they outrated their opponents by a margin of forty-three to thirty-five.

They played some of the best teams in the South, including "Ole Miss," Millsaps, Murray, and such professionals as the original world champions, "The Celtics." Union lost to the Celtics by a difference of three points. Davie Banks, the big ace forward, paid the boys very nice compliments and said that if the boys did not give the teams in this section a hard game just call him up.

Coach DeLay and the team also had the honor of being one of the twelve teams invited to the S. I. A. A. tournament held at Bowling Green, Kentucky.

THE FRESHMAN TEAMS

The Freshman athletic teams, under the able tutelage of Coach Ernest Mullins and Assistant Coach Alexander, have been highly commended this year.

Coach Mullins is to be praised for his initial success this year with the "Bullpups." They fought like the "Bulldogs" which they will be next year, and from the results of their games this year the varsity of next year should be greatly augmented by the up-and-coming "greenies."

*"Our field is our own student body;
our aim is its Spiritual Enlightenment."*

The Baptist Student Union is not a group of some few students set apart from others on Union's campus. It is a unifying link binding each student to the other through Jesus Christ and so connecting the original home life and the church life with new contacts made on the college campus. The officers of the Baptist Student Union are elected by the student body and from the council, the functions of which is in the interest of all students in endeavoring to strengthen these connections and give him peace and security. Such an outlook on life and such a calm in his soul are greatest of all in preparation for progressive learning through the church—a thought uppermost in the minds of the council.

In January, Union's Baptist Student Union received its banner for First Magnitude, highest award for excellence and attainment. This is our second year in succession to reach this goal within the first few months of the school year. On this foundation this year's council hopes the Baptist Student Union of the future may build each year a part of its glorious structure in the image of Christ, who is ever the Guiding Spirit of the Baptist Student Union.

The J. R. Graves Society of Religious Inquiry was organized in 1875. The purpose of this society is to discuss problems that face young ministers, and to enrich their lives for a greater service. The motto for this society is "Search the Scriptures."

The Great Commission that Our Lord and Saviour Jesus Christ gave to His disciples is being carried out to a great extent in the evangelism of West Tennessee and the adjoining territory.

"Serving the Lord with Gladness."

There is always in the lives of college students, along with the many other activities, a need for the inspiration that can only come through the Life Service Band. It is the supreme aim of this organization to aid the Christian student in living a life of fruitful service day by day, not waiting until college life is over to live. This year the organization has grown to be one of the largest on the campus and has proven to be of untold value in the lives of those who desire to live the fuller life.

The Euphrosynean Literary Society was organized eleven years ago. The work of the society is directed toward high ideals, the motto being, "Girls hand in hand for the best in science, music, art, and literature." Books and plays of high literary value are reviewed. Social meetings are held once a month. The colors of the club are pink and silver.

Members of the Palladian Literary Society, unwilling to relinquish their literary pursuits and to surrender the ideals, "Taste, Industry, and Wisdom," for which the society was noted and which had been perpetuated since its founding by Dr. G. M. Savage, more than fifty years ago, decided to change the method of its activities to meet the needs of a changing age. The result of this decision was the organization of the Palladian Breakfast Club in October, 1936. This club is composed of eighteen young women maintaining high scholastic records.

The G. M. Savage Literary Society was founded and named in honor of Dr. George Martin Savage, the grand old man of Union. The society continues to be one of the outstanding organizations on the hill. It is noted for its splendid work, and for the manifestation of the G. M. S. spirit on Union's campus. It is composed of some of the best talented and most earnest students on the hill. For that reason it continues to furnish to the debate team the greatest number of debaters.

The Kardinal Key Klub, a booster club, was organized to sponsor any movement for the betterment of school spirit, clean sportsmanship, and love for our Alma Mater. It is one of the most outstanding organizations on the campus.

The members of this club stand behind and encourage the student body to support the school's competitive teams, football, basketball, baseball, track, and debating. The membership consists of sixteen students elected because of their outstanding interest in forwarding any project sponsored by the school, athletic or otherwise, one faculty adviser, and the cheerleaders, who are elected by the student body. The club sponsored Homecoming in a bigger and better way this year. The program was a carnival, a football game, a parade, and the election of the king and queen. A minstrel has been planned for the benefit of the U Club. Other projects are the Freshman Handbook, the "hello" campaign, and a scrubbing system for cheerleaders.

Motto: "Union first! Winning or losing—Union first!"

The principal qualification for membership is a participation in an intercollegiate oratorical contest or debate. The aim of the society is not primarily social, but intellectual. The old Alpha Phi Epsilon, an honorary literary and debating fraternity, became a part of the National Tau Kappa Alpha in 1935. One of the outstanding forensic activities sponsored this year by Tau Kappa Alpha was an Intramural Oratorical and Debate Contest.

When Greek Meets Greek

*When Greek meets Greek, no matter where or when,
they forge a chain, the fellowship of men—
too strong or true for word of tongue or pen;
knowing that each has been a chosen man,
knowing that each is a scion of a clan,
though each has worshiped at an alien shrine,
back in the dear old days of Auld Lang Syne.
When Greek meets Greek, it is no matter where
the stranger comes from, we are welcome there,
although our badge be cross, or shield, or square,
for hearts beat ever high and handclasps true,
and college dreams that bless and sometimes burn,
like half-forgotten memories return,
when Greek meets Greek.*

Faithful to our fraternity."*

The Cardinal and Cream is the bi-weekly publication of the student body. The staff, under the direction of the same Editor and Business Manager as last year, has sought to make the publication truly the official organ of every student. Early in the fall term of '37-'38 the size of the paper was made considerably larger in order to give the students and friends of Union one of the best college newspapers in the South. Through its efforts the staff has tried to carry out fully the motto, "*Cardinal and Cream Is the Voice of Union.*"

LEARNING WHILE SERVING

From boyhood it was said of Abraham Lincoln that he was a "learner". In his ambition to post himself he sat at the feet of whoever could teach him. In time he overtopped them all. ● The "learner" rises above his competitors in all life's activities. He masters conditions because he learns all about them. ● We sit at the feet of the public wherever we have stores, learning and posting ourselves of the needs of home and person as best we can. ● Diligently applying ourselves to the responsible task of providing those needed when needed is the virtue to which may be traced much of the extraordinary development of this company.

Paul K.: "Well, Prof, it's like this. I have a nephew that's 15 and he's half crazy."

Bursar Hicks rushing into Editor Fite's sanctum.
"What do you mean?" he blurted. What do you mean by insulting me as you did in Friday's
Cardinal and Cream?
"Just a moment," replied Fite. "Didn't the story appear as you gave it to us, namely, that
you had resigned as Bursar?"
"It did. But you put it under the head of 'School Improvements.'"

T. Ballard: "Dr. Hurt is going to speak in chapel again today. His speeches remind me of a
cat's tail."

S. Bryant: "How's that?"

T. Ballard: "Fur to the end."

S. Bryant: "Maybe you're right, but I'd say the worst thing about Dr. Hurt's speeches is that
they are like a mongrel dog's tail."

T. Ballard: "And why like a dog's tail?"

S. Bryant: "Bound to a cur."

JOKES

It is almost impossible to grow bananas in northern Siberia, even though the fruit flies there are relatively scarce.

~ ~ ~

I heard it said the first time J. B. Hester used free air in a garage he blew out four tires.

~ ~ ~

Kinsolvin: "Abernathy, your head's just like a tack."

Abernathy: "How's that?"

Kinsolvin: "Ought to be hit with a hammer."

~ ~ ~

"How could he went
How did he gone
How could he leave I here alone?
Us could always go to he
But him could never come to we.
How could it was ain't it?"

Mrs. Hardin: "What make is Dr. Davis' new car?"

Mrs. Rice (rather vague about such things): "I think I heard him say it was a wow."

~ ~ ~

Prof. Farnsworth (as he slowed down a bit on a debate tour): "Boy! Don't you feel glad to be alive?"

Eddie Hicks (breathing easy for the first time): "Glad isn't the word. I'm amazed."

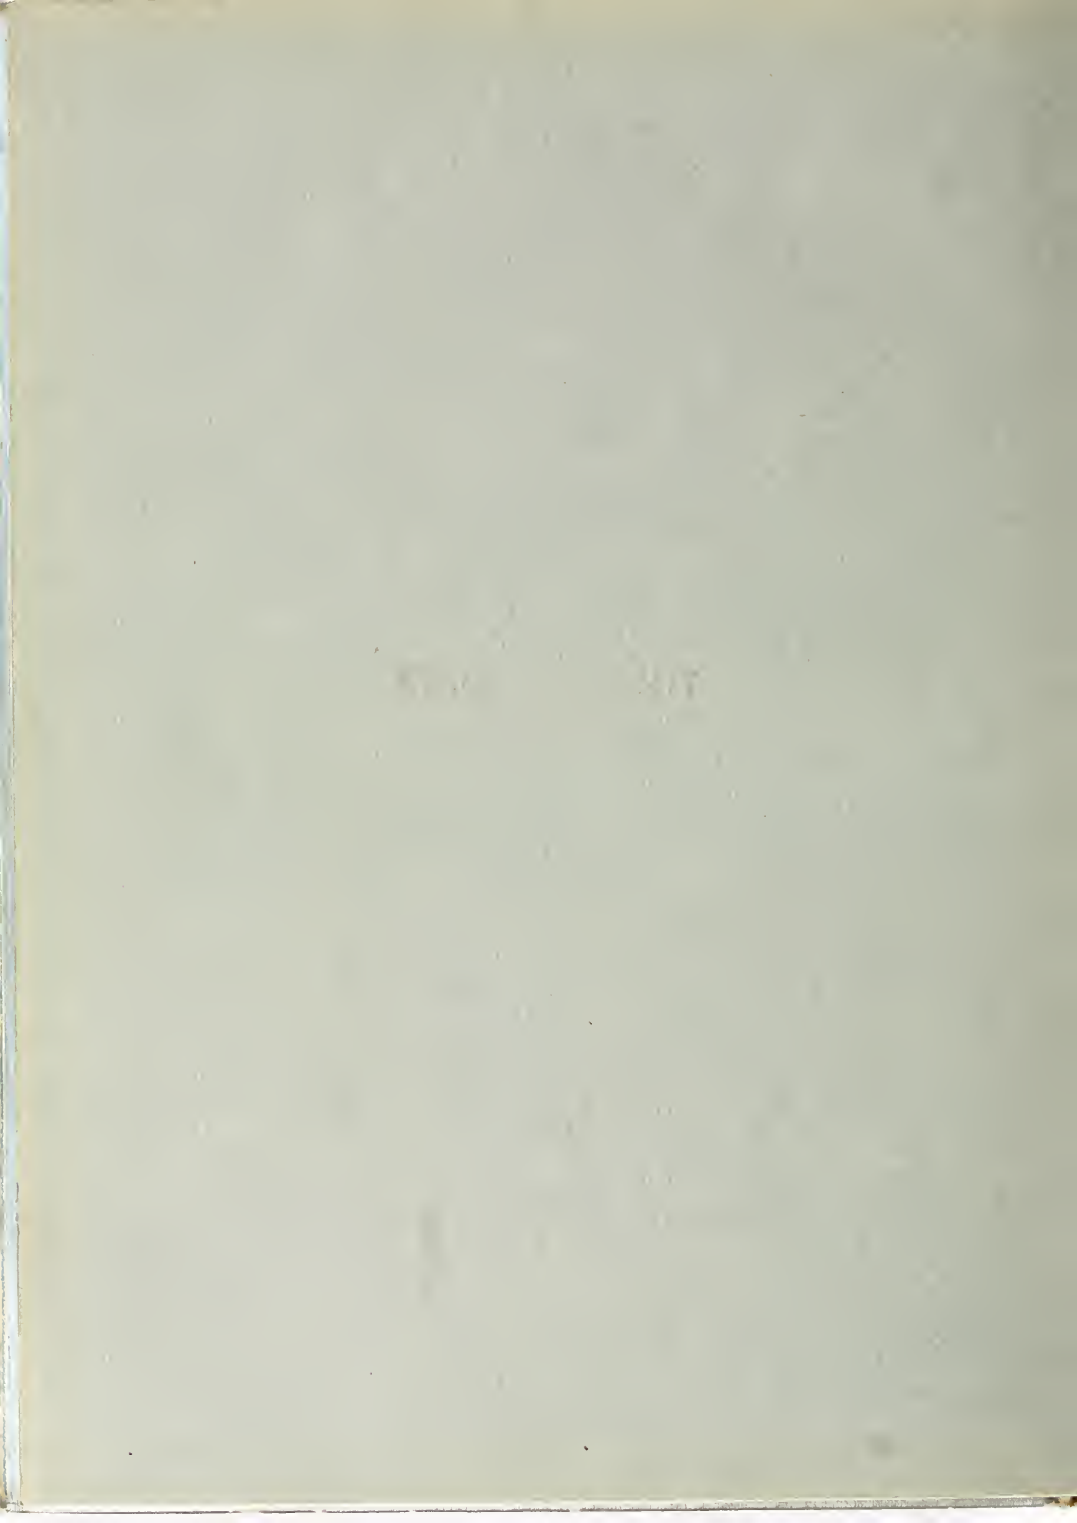

~ ~ ~

"The process of thinking draws the blood from the feet to the head," explained Dr. Davis. This explains, perhaps, why, in so many cases, if you think twice about a proposition, you get cold feet.
